subsidiary companieis of Coal India Ltd. This Sub-Committee was also to examine stocking policy and the system of receipt and despatch of coal from collieries/ stockyards of Coal India Limited. The Sub-Committee in its meeting held on 23rd October' 90 at New Delhi had decid-cj that two members of the Sub-Committee wou'id vis-it Western Coalfields Ltd. "s areas on October, 28th 1990. However, only one' member of the Sub-Committee could undertake the visit. On the basis of his field visit, the Hon'ble member has submitted a report to the Chairman of the Sub-Committee with a copy to the Secretary, Dsptt. of Coal. In this report, shortages in pithead coal stocks at Hindustan Lalpeth, Baliacpur, Dhup-d Sasti opencast mines to the extent rox. six lakh tonnes have been led on the basis of measurements taken with the help of surveyors. Hon'ble r has also suggested some measures Dpping theft of coal including doing ith private transportation of coal.

Sndia Ltd. has been advised to fix responsibility for the shortages and initiate disciplinary proceedings against the persons responsible after placing them under ision. Further CBI has been requested to take up detailed investigations in these shortages. Comptroller and Auditor General of India has also been requested to undertake special audit of coal lock[1]:.

Blast in Indian Petrochemicals Corporation's plant
